

Technical drawing of a rectangular plate. The plate has a central vertical slot. On either side of the slot is a rectangular section containing a circular hole. The distance from the left edge to the center of the left hole is 792. The distance from the center of the right hole to the right edge is 792. There are two small circles, one on each side of the central slot, located near the top edge. Dashed lines indicate the boundaries of the rectangular sections and the circular holes.
